Taught by Instructor

AL HEILMAN

2 DAY - WEEKEND WORKSHOP

LEVEL: INTERMEDIATE

INSTRUCTOR: AL HEILMAN & CYNDI SEEBERGER

COST: \$325.00 / Maximum of 10 Students

WORKSHOP DATES: SATURDAY – MAY 5th and SUNDAY – MAY 6th, 2018

TIMES: SATURDAY 9:30AM – 4:00PM AND SUNDAY 9:30AM – 4:00PM

*GROUPON COUPONS ARE NOT VALID FOR THIS WORKSHOP

Get ready to stretch your imagination and learn some new glass skills that have been around for hundreds of years. Students will have a choice to pull either 90 or 96 COE murrini and vitrigraph stringer twists to take home after the workshop. In addition, students will learn some basic cold working skills with a diamond flat lap and diamond wet saw. Plus, learn some techniques of drop ring fusing and how to set up blanks for success. Al Heilman will also expand upon his “Things I Wish I Knew” blog series. His presentation will be packed full of how to DIY information all of us glass artist will treasure. Come join us for a fun and educational workshop filled with smiles, lectures and handouts.

About the artist: Al Heilman uses the images of life and living on a lake as a themes for his work. Many of you may know him for his work in enamels. He has won several awards and his art work is owned by several collectors. He has been a judge for many juried art shows and is also a professional photographer. Al is a recent graduate from the Glassell School of Art.
